

HFIA Board Works on 5-Year Strategic Plan

HFIA was awarded a Catchafire strategic planning volunteer by the Hawai'i Community Foundation. Catchafire volunteer Akhilesh Bapat lead HFIA Directors through the first part of the planning process. Consultant John Ciambone took over and facilitated two planning sessions. The first session was held at Peter and Heather Simmons residence in North Kohala and second one was held at Guy Cellier's Nursery/The Vanillerie in North Kona. Guy led the group on a tour of his property. The next planning session is scheduled for January 20, 2022.
